Winter Writing Workshop (Grades 6th – 10th)

It is absolutely essential that students in the middle and early high-school begin to equip themselves with stronger writing skills. The Winter Writing Workshop is an 8-day intensive program designed to do just that. With focused curriculum, this workshop will help students become better critical thinkers and writers. Specifically, it will help sharpen evidence-based writing skills which are integral for Common Core learning and for success on the standardized exams as well as overall academic success.

Class Schedule

Dec 21-24, Dec 28-31 (Monday to Thursday)

Level 1: 9:00am – 11:00am

Level 2: 11:00am – 1:00pm

Classic Novel Book Club (Grades 6th – 10th)

YSI's Classic Novel Book Club is an 8-day intensive reading group that will introduce students to timely, thought-provoking novels, engage them in habitual reading, and help them articulate their responses. Students will complete two novels during winter break.

Class Schedule

Dec 21-24, Dec 28-31 (Monday to Thursday)

Level 1: 11:00am – 1:00pm

Level 2: 9:00am – 11:00am

College Planning Program

College Planning Program is offered to high school freshmen, sophomores and juniors during the winter break. Led by experienced counselors, this program will provide students with guidance through the college-planning process.

Students will meet for six two-hour sessions during the two-week winter break. Guided activities will help students understand the college admission process and construct their plans for college and beyond.

Topics Covered

- Overview of College Admissions: What do colleges look for?
- College Majors & Careers: Explore majors and possible careers
- Extracurricular Activities: Participate in meaningful activities and create a resume
- Making Your Summer Count: Search for pre-collegiate programs, internships and college courses
- UC and Common Application: Learn how to write the college application personal statement

Schedule: December 21-23, December 28-30 1:30 PM – 3:30 PM

AP Courses for HS Credit

YSI's AP Courses for HS Credit Online Program offers students in grades 9–12 fully accredited, UC-approved courses with tutoring and support from YSI instructors. Classes are completed online at the student's own pace. YSI teachers monitor progress and provide academic guidance and accountability to ensure each student's success.

Online Class Schedule

Session 1: December 21 – February 27
Session 2: January 4 – March 13

Students must attend online 2 days per week.

One-Semester Courses

- AP Psychology
- AP Microeconomics
- AP Macroeconomics

Two-Semester Courses

- | | | |
|------------------|----------------------------|------------------------------|
| • AP Calculus AB | • AP Physics 1 | • AP Computer Sci Principles |
| • AP Calculus BC | • AP Physics 2 | • AP English Language |
| • AP Statistics | • AP Physics C | • AP World History |
| • AP Biology | • AP Environmental Science | • AP US History |

If you're not sure which class(es) to take, or if you'd just like to see where you stand, come in for a free diagnostic test and/or schedule a counseling appointment. You can do both by calling (626) 286-0200.

Scholars Tutoring

Scholars Tutoring and Academics Management is an academic mentorship whose purpose is to mentor and motivate students for their academic and holistic success. It is a study group of up to three students and one instructor that meets for two hours every session to learn and develop knowledge and study skills necessary to improve and excel in specific subject matters in school or on standardized exams.

YSI is currently offering **Private or Small Group** tutoring classes for any of the following subjects:

- **Test Prep:** SAT, ACT, SAT Subject Tests, AP Exams, ISEE, SSAT
- **School Homework Help:** All Subjects
- **Math:** Pre-Algebra, Algebra 1, Geometry, Algebra 2, Math Analysis, Precalculus, AP Calculus AB/BC, AP Statistics
- **English (Regular, Honors, AP):** English, English Literature, British Literature, Composition
- **History (Regular, Honors, AP):** US History, World History, European History
- **Science (Regular, Honors, AP):** Biology, Chemistry, Physics, Environmental Science
- **SAT Subject Tests** (Math Level 2, Bio, Chem, Physics, Literature, World & US History)
