Young Scholars Institute (YSI) offers individualized tutoring and counseling program for 4th-12th grade students to optimize their academic success. YSI provides one-on-one and small group tutoring in all subjects, including AP and Honors courses, creating customized tutoring plans for each student based on unique learning profile and goals. YSI College Counseling addresses student's personal interests in order to create a blueprint for college. With a well-planned high school experience, students will reach their ultimate potential.

TEST PREP

Our SAT I & II, ACT, PSAT, and AP test preps are the most intensive courses designed for highly motivated students desiring to increase their chances in entering an Ivy League level school. Students will improve on their test taking skills, gain confidence in the subject, and develop speed and accuracy during the real test.
